Sonnencamping Albstadt

Your 4-star-campsite in the Swabian Mountains

Sonnencamping Albstadt

Sonnencamping Albstadt is situated on a sun-kissed southern slope with the very best outlook on the Swabian Alb.

Our campsite is opened throughout the year.

It offers pitches for caravans and motorhomes and two tent meadows.

In addition, you can choose between several rental accommodations, among them our cosy "sleeping barrels", our comfortable and modern bungalows or original stilt houses coming soon on the upper terrace of the camping.

On the site a shop provides supplies such as camping goods, beverages, ice cream, coffee variations, maps and cosmetics. A bakery service is also available.

The amply sanitary building is modern with foyer, family bath and private shower cubicles. There are possibilities for cooking, washing-up and doing the laundry.

The common room with TV and a barbecue hut invite to sit together.

For children there's a playground and a giant trampoline. A spacious dog park completes our offer.

W-LAN is available throughout the campsite.

Motorhome pitches

Sonnencamping Albstadt offers in total 82 pitches for motorhomes and caravans.

All pitches are spacious and thus suitable for larger motorhomes as well. They offer an electrical hook-up, our comfort sites also have connections for fresh and grey water. A recycling station is at the disposal of all campers.

For short stays another 16 pitches outside the campground welcome campers day and night. The motorhome parking is equipped with coin-operated electricity and a parking ticket machine.

Stilt houses

Hovering on the edge of the forest high above the campsite and enjoying the view of the Swabian Alb?

In our stilt houses you live on the top terrace of the Sonnencamping and get the over- and the far view right away.

The combined bedroom/living room offers a dining area and sleeping facilities for 4 people: a bunk bed (2 beds each 0.90 x 2.00) and a loft bed (1.40 x 2.00 m). The kitchen module is equipped with a refrigerator, 2-plate cooker and sink. There is sufficient storage space. A small bathroom with WC is located on the ground floor.

- ★ A comfortable stay
- ★ For up to 4 persons
- ★ In 2 sizes: standard or XXL
- ★ Also in winter
- ★ Heating available

Sleeping barrels

Cosily and without building up a tent you can also spend your holiday in one of our eight "sleeping barrels". Simply arrive and begin your recreation.

In our 100% wood-crafted, ecologically valuable sleeping barrels you spend the night without own equipment.

You will find inside a large-sized bed (size 2 x 2 m) and a sitting opportunity for up to 6 persons, which can be converted in 2 beds of 0,7 x 2 m.

Heating, storage space and lighting do complete our happy-go-lucky accommodation.

Bungalows

If you wish a more comfortable holiday just book one of our 13 bungalows. The bungalows do have the size of 40 square meters. They include a living room with kitchenette, a parents` bedroom, a children`s room (alternatively with bunk beds or convertible bed) and a daylight bathroom.

They are equipped in a modern and cosy style. All bungalows are completely stuffed out with tableware and cooking utensils for four persons. Bedding and towels are offered chargeably. TV and W-LAN (chargeable) are available as well.

From the terrace you have a marvelous view of the Swabian Alb.

Activity and recreation

Embedded in the rolling landscape of the Swabian Mountains Sonnencamping Albstadt offers many opportunities for active recreation - in any season.

Directly beneath the southern slope you will find the established leisure- and wellness spa "badkap" with in- and outdoor pools, sauna etc.

Outdoor activities are offered with 7 premium hiking trails, the so-called "Traufgänge", which are around the campsite. Depending on the length and on the level of difficulty of the tour the trails either offer a recreation or sportive challenge, but they are always rich in wonderful views of the beauty of nature.

Also very close you'll find two other sportive attractions of Albstadt, a climbing- and a bike-park. A new mountain bike trail runs directly past the campsite.

Points of interest

Sonnencamping Albstadt serves as an ideal basis for tours to the most rewarding cultural sights of this region, such as the fortress of Hohenzollern or the impressive castle of Sigmaringen.

In the past the Swabian Alb was noted for a strong textile industry. This led to the expansion of lots of factory outlets, among them the outlet city of Metzingen.

Our outlet guide offers information on more than 30 selected outlet stores for pasta, underwear, bike accessories or designer dresses in the neighbourhood of our campsite. At our reception you will get more information material and competent advice at any time!

Winter pleasures

Even in the cold season, the Swabian Mountains have much to offer.

In the neighbourhood of the campsite two premium hiking trails attract hikers and walkers.

Many well-groomed cross-country ski runs and six skiing lifts with flood-lighting promise a lot of winter fun on two planks – a small paradise in the middle of the Swabian Alb.

Our accommodations are all heated and therefore also suitable for winter holidays.

Sonnencamping Albstadt was certified by ADAC, ANWB and BVCD.

We are also certified as quality host for "Wanderbares Deutschland".

Sonnencamping Albstadt is one of currently 130 TopPlatz members in Europe.

You will find a lot of additional information at any time under www.sonnencamping.de.

We are looking forward to your visit!
